## **REPORTS OF BOARDS**

---

### **REPORT OF BOARD OF MISSIONS.**

---

To the Bishop and Members of the Little Rock Conference:

We desire to express to the brethren of the Conference our appreciation of your hearty co-operation. We have had a decided increase in our collections this year, as shown by the report of the Conference Treasurer. Dr. J. W. Smith was before us representing the General Board.

We urge that collections for Missions be taken not later than the month of March and that as far as possible the assessments be sent to our Treasurer not later than April first.

We are glad to find an increase in specials. We hope this interest will be multiplied. Many churches and individuals are finding great joy in this special work, thus relating themselves to special fields.

#### **The Every Member Canvass.**

We are led to conclude that the financial progress we are making as a Conference in great measure is due to the increasing number of our Churches that are appealing to their full strength by means of the every member canvass. We think that when it shall become the universal method our financial problems will be solved.

#### **The Laymen's Missionary Movement.**

The laymen under the leadership of Dr. W. B. Beauchamp, the new secretary, are entering upon a more comprehensive and adequate program for the future. We urge all pastors to avail themselves of this great arm of the service with all its unrealized resources.

#### **The Missionary Centenary.**

We call attention to the fact that in 1919, American Methodism comes to the end of its first century of organized missionary effort. Our General Board has adopted a comprehensive church-wide plan for the celebration of this notable event. We urge that our Conference enter into the plan and co-operate with all the agencies at command to make the Centenary a worthy memorial of our first missionary century.

#### **A Call to Prayer.**

Recognizing the trying conditions under which the whole world is suffering and the disturbed state of mind of the people of our Country, because of the war, we would earnestly call upon all who believe in the Gospel as the cure of the world's ills, to unite in bending every energy; not only to hold lines steady, but to advance as never before. This hour that appals men is God's opportunity. Those who believe in the Kingship of Jesus Christ will not falter in the face of difficulties and dangers.

Your Board elected the Rev. Forney Hutchinson, D. D., Conference Missionary Secretary and requests the Presiding Bishop to appoint him.

We appropriate \$5,600.00 to our Conference Missions. Of this, the Epworth League Conference has asked us to administer \$1,000.00, five hundred of which we appropriate to Dierks Mission and five hundred to Holly Springs and Sardis Mission. The appropriations are as follow:

---

To the Bishop and Members of the Little Rock Conference:

We respectfully request the Bishop to appoint Rev. T. P. Clark Conference Evangelist. We appropriate to him two hundred and fifty dollars.

We further urge the Presiding Elders to assist him in making apportionments where the most good can be done in our Conference Missions. And that the Conference Evangelist make quarterly reports to Rev. James Thomas, Secretary, of the amounts collected and the work done. That his support is not to exceed \$1,800.00 and traveling expenses. The amount collected to be turned over to the Board of Missions. ### BOARD OF CHURCH EXTENSION.

---

To the Bishop and Members of the Little Rock Conference:

Dear Brethren:—

We, your Board of Church Extension, respectfully submit the following report:

We have had before us twenty-two applicants for help in building churches and parsonages, a total of \$5,250.00. We have considered each application carefully and have endeavored to give aid to those needing help most. We regret that we cannot give the full amount asked for to each applicant.

We are glad to report that there has been an increase in collection this year over last year to the amount of \$1,475.00. Yet we have not been able to care for all the worthy demands.

We wish to emphasize the importance of the Loan Fund, and earnestly request that the Horace Jewell Loan Fund be increased this year to at least \$1,000.00. And in order to stimulate an interest in this fund we have donated \$75.00, and this added to the amount already collected, gives us a Loan Fund capital of \$374.99. Mt. Carmel borrowed \$100.00 and \$25.00 has been paid, leaving a balance of \$75.00 due the board. We now have \$324.99 on hand available for immediate loan.

We wish to call attention to the fact that it is very important that each application for aid be properly filled out as we will not make grants where the application is not in order.

#### SUNDAY SCHOOL BOARD.

To the Bishop and Members of the Little Rock Conference:  
Dear Brethren:—

Your Sunday School Board is glad to report substantial gains along all lines this year. Our Treasurer's report shows all expenses paid in full for the year and a further shrinkage of the debt brought over from two years ago. The report of the Statistical Secretary will show splendid gains in each item in the Standard of Efficiency and probably the largest increase in enrollment our Conference has ever had.

#### Field Secretary.

The report of our Field Secretary was read before you on our anniversary night. That we are pleased with his work is shown by the fact that we have unanimously re-elected him Field Secretary for another year. We quote the following summary of work accomplished, from his report:

Miles traveled by rail .....	7163
Miles traveled otherwise .....	342
Total miles traveled .....	9105
Special addresses made .....	203
Institute addresses made .....	175
Sunday School addresses otherwise .....	80
Total addresses on Sunday School work .....	458
Conferences held with workers .....	37
Articles for the press .....	62
Communications written .....	2100
Pieces literature distributed .....	25000

Sunday School books sold .....	125
Institutes held (Charge) .....	91
Institutes held (District) .....	8
Preachers meetings attended .....	8
District Conferences attended .....	6
City-wide institute held .....	1
Conference Elementary held .....	1

#### Conference Elementary Superintendent.

In the beginning of the year your Board elected Mrs. Clay Smith, of Little Rock, your Conference Elementary Superintendent and through the liberal contribution of a member of the Board, she has been on a salary for the last half of the year. Mrs. Smith has done her work with such thoroughness and efficiency that she has not only brought our own Conference Elementary work up to a high standard, but she has won recognition for our Conference from the Church at large. The Conference for Elementary workers held under her supervision at Hot Springs, was doubtless the best Conference of this kind ever held in the Southern Methodist Church. We have elected Mrs. Smith for another year, but sincerely regret that lack of funds prohibit us from employing her as a salaried worker.

#### Children's Day.

We are glad to report a distinct gain in the observance of Children's Day this year. Two Districts report the observance of Children's Day in every Charge while only thirteen charges in the whole Conference report no Children's Day offering. The following is the comparative statement of Children's Day offerings for the past three years:

Children's Day Offering 1915 .....	\$ 998.00
Children's Day Offering 1916 .....	1254.00
Children's Day Offering 1917 .....	1725.00

The Camden District, J. A. Sage, P. E., is hereby awarded the Children's Day Banner for this year. The Banner Children's Day Charges for Districts, are as follows:

Camden District, Buena Vista Circuit .....	C. F. Messer, P. C.
Pine Bluff District, Roe Circuit .....	D. P. Clegg, P. C.
Little Rock District, Winfield .....	J. D. Hammons, P. C.
Arkadelphia District, Central Avenue .....	M. N. Waldrup, P. C.
Prescott District, Hope .....	T. D. Scott, P. C.
Texarkana District, Richmond Circuit .....	J. J. Mellard, P. C.
Monticello District, Tillar Circuit .....	J. H. Cummins, P. C.

#### Apportionment.

By Conference action, \$300.00 was apportioned to each District for field work. Ninety-two Charges have paid to this fund this year compared to seventy-two Charges last year. This shows a wholesome increase. However, the increasing demand upon the Sunday School Board, makes it imperative that this apportionment be more earnestly stressed another year. The Prescott District, Rev. J. A. Henderson, P. E., has again won the Apportionment Banner and is hereby awarded the same.

#### Missions in the Sunday School.

We note with pleasure the constantly increasing number of schools observing Missionary Day. The amount collected for Missions in our Sunday Schools this year is nearly double that of pre-

vious years. But, the mere taking of a Missionary collection in a Sunday School will have but little real value if we neglect Missionary instruction of our children. Hence, we encourage the careful observance of the monthly Missionary program and as far as practicable the use of the Missionary Courses offered for Sunday School Classes by our General Board.

#### **Missions Sunday Schools.**

Your Board has had a number of requests for literature to be furnished Mission Sunday Schools this year. In every case we have gladly granted the request and are glad to announce the continuance of this policy vouched for by the Pastor in Charge.

We have had before us Mr. A. L. Dietrich, representing the General Sunday School Board; President Reynolds, representing the Summer School at Hendrix, and a communication from Dr. Chapple in regard to War Relief work, all of whom were heard and their recommendations incorporated in this report.

We note with pleasure the election of Dr. J. L. Cunningham to the chair of Sunday School Pedagogy in our S. M. U. and urge our young ministers attending this institution as far as possible to avail themselves of this splendid course.

#### **Recommendations.**

We offer the following recommendations for your adoption:

1. That College Day be observed the Second Sunday in March in conformity with the plan of the General Board.
2. The co-operation of the Sunday Schools in our Conference in complying with the request of our General Board that offerings to be made in our schools during the Christmas holidays for Armenian and Syrian relief, and in all other War Relief measures that may come to us with the sanction of our Church.
3. In order that our people may be guarded against imposters, and, in order that our schools may get proper credit for all moneys raised therein, we recommend that no War Relief Measure be recognized, except those duly sanctioned by our Church authorities and all such funds be sent through Dr. E. B. Chapple, the duly authorized agent for such funds in our Church.
4. In keeping with the policy of the General Board, we recommend that the Sunday Schools of the Little Rock Conference "Observe only such Special Days as may be recommended by the General Sunday School Board, or the Annual Conference Sunday School Board, or as may be provided by the Discipline."
5. We give our whole hearted approval of the plan adopted by several schools and adult Bible Classes of our Conference for taking over the education of at least one minister each year, the money to be loaned the recipient without interest and to constitute a perpetual Loan Fund for the Education of ministers in the hands of the Trustee of our Conference Colleges. We recommend that this plan be followed by other schools and classes as speedily as possible.
6. We appreciate the splendid emphasis placed upon Sunday School work in the Summer School at Hendrix and we pledge ourselves to get actively behind the campaign to secure a large attendance at its next session.
7. We pledge the moral support of our Sunday School workers in the plan of our Church College to endow chairs of Sunday School pedagogy in these institutions.

8. We thoroughly appreciate the splendid School of Methods at Junaluska and earnestly urge our Pastors and Superintendents to send at least one representative to this school next summer.

9. We recommend the appointment of Rev. Clem Baker as Field Secretary.

10. The continuation of our present financial plan for the support of our Field Workers.

Respectfully submitted,

C. E. HAYES, Chairman.

R. L. CABE, Secretary.

#### EPWORTH LEAGUE BOARD.

---

Dear Brethren:—

We, your Epworth League Board, respectfully submit the following report:

We rejoice to report the greatest year of progress in our history. Every district except one has held one or more institutes for the promotion of League work. Forty-four new Leagues have been organized. The District organizations are active and growing in efficiency. The Little Rock District has a League in every charge. Three hundred dollars more was raised for missions than last year and \$2,000.00 pledged for the new year, \$800.00 of this amount is already paid. Eighty-four percent of the Leagues paid the Chapter Membership fee which is fifty-two percent advance over last year. Five hundred dollars was paid to Home Mission work at Dierks and five hundred to Africa. Nearly seven hundred cash subscriptions were secured to the Arkansas Methodist.

A step forward the past year has been the publication of a journal by the Leagues containing all reports and proceedings of the Annual Epworth League Conference at Gurdon.

Through the courtesy of Dr. A. C. Millar, editor of Arkansas Methodist, a page of space has been given to Epworth League matter. Rev. H. F. Buhler has been the able editor of this page and popularized the Conference organ among the young people of the state.

For the new year we beg your earnest consideration of the following:

First, upon recommendation from the North Arkansas Conference, we have re-elected Rev. H. F. Buhler editor of the Epworth League Department in the Arkansas Methodist.

Second, that we pledge our co-operation with the North Arkansas Conference in providing for an Epworth League Day in the Summer School at Hendrix.

Third, we heartily recommend the action of the Epworth League Conference at Gurdon in its plan for the appropriation of \$1050.00 for Home Mission work in our Conference and \$1,000.00 for Foreign Mission work in Africa.

Fourth, we urge a more careful attention to the observance of Anniversary Day. This is of special importance in view of the larger work undertaken by the board for another year.

Fifth, "The Big Drive." In order to conserve the young life of our Church, and to meet the challenge of the present world crisis to the Church, the General Epworth League Board has planned a campaign for new chapters and greater efficiency under the name of "The Big Drive." Its slogan is "A League Chapter in every Charge and every Chapter meeting the standard of efficiency." All over the Church preachers in annual Conference are enthusiastically supporting the campaign. Young people must be called on to save the world in its war crisis.

We endorse heartily this League campaign and pledge to it our encouragement and our assistance as members of this Conference.

Respectfully submitted,

H. F. BUHLER, President.

JAS. W. WORKMAN, Secretary

#### REPORT OF BOARD OF EDUCATION. Number One.

---

Section 1: Your Board of Education has given careful attention to the preambles and resolutions referred to us, relative to Henderson-Brown College and recommend the adoption of the same, which is as follows:

Whereas, The financial condition of Henderson-Brown College is such that the institution must become a total and irreparable loss to the Church unless provisions shall speedily be made for the payments of its debts, and,

Whereas, The failure to pay its debts would seriously reflect on the good name of our Conference and Church, and,

Whereas, We recognize the vital importance of this College to the educational interests of our Conference, and our State, and,

Whereas, The people of Arkadelphia have recently raised a subscription of more than \$35,000.00 towards the payment of these debts,

Therefore, Be It Resolved by this Conference, First, That we hereby give our unqualified approval to the appeal of the Board of Trustees for a fund of not less than \$75,000.00 to be contributed by the people of our Conference living outside the City of Arkadelphia;

Second. That we pledge to the Board of Trustees and to the representatives whom they may select, our hearty co-operation in the work of raising this fund, and that we will unreservedly commend this cause to our people and urge them to contribute liberally towards the payment of this debt.

Third. That we recommend to the Board of Trustees that they set apart some definite time in the near future for the simultaneous campaign throughout the entire Conference for the purpose of raising this money. and that they enlist as far as possible the services of a large number of our preachers and laymen in this work;

Fourth. That we as members of this Conference assure the Board of Trustees that in the event that they shall project the campaign referred to in the preceding resolution we will gladly give as much of our time as may be possible to each of us to the work of the campaign without any financial compensation whatever."

## REPORT OF BOARD OF EDUCATION.

### Number Two.

The reports referred to us from the Special Educational Commission, the Corresponding Secretary of the Board of Education, the Secretary of the Department of Ministerial Supply and Training, the Trustees of Southern Methodist University, and from the President and Trustees of Henderson-Brown, Galloway, and Hendrix Colleges, have been carefully considered. There was before us, Dr. Ivan Lee Holt, who presented the interests of the School of Theology of Southern Methodist University. The needs of our three colleges were presented by their Representatives, Presidents and Commissioners.

We note with profound gratitude that the reports and representations made to us show that the educational agencies and institutions mentioned above are making gratifying progress in their several fields of effort. We recommend for adoption the following resolutions:

#### Ministerial Education.

1. That this Conference urgently request that during the year of 1918, our Sunday Schools give special attention to the observance of "Vocation Day," that our pastors magnify, "the annual sermon on the Claims of the Christian Ministry," and that the Churches be diligent in prayer "to the Lord of the Harvest that He will send forth laborers into His harvest."

2. That the examining committee on trial "keep to the law of the Church and recommend only those for admission on trial who have a diploma of full graduation from a standard High School or Academy, and in the absence of this diploma, the committee must examine the candidate on the fourteen points necessary for admission into a standard college, in addition to the theological subjects prescribed by the bishops."

3. That all undergraduates of the Conference be required to take their studies through the Correspondence School.

4. That all undergraduates, needing financial assistance in the matter of the fee required by the Correspondence School shall be given such assistance by the Board of Education, application for such assistance made to the Conference Secretary of Education.

5. That the pastors and especially the Presiding Elders are urged to assist in every way possible, candidates for the ministry to carry out the directions of the General Conference, which are as follows:

"All ministerial candidates are strongly urged, before entering the traveling connection, to secure, if possible, thorough collegiate and theological training."

#### General Educational Interests. . .

1. That our pastors and our institutions of learning co-operate with the Sunday Schools of the Conference to make "College Day" a success.

2. That our Colleges establish and maintain Departments of Religious Education wherein courses are offered which will fit young men and women to be efficient workers and teachers in our Sunday Schools and in other forms of Church work; for the completion of which courses college credits may be rightly given.

3. That the purpose to hold an Educational Conference for the entire Church during the year 1918 be endorsed, and that the Conference Secretary of Education be appointed a delegate, his expenses to be paid by this Board.

#### **Henderson-Brown College.**

1. That the following trustees be elected to succeed themselves: R. W. Huie, Jr., W. E. Barkman, John H. Hineman, V. M. Davis; and that Dr. M. N. Waldrup be elected to fill the place made vacant by the death of Dr. A. O. Evans.

2. That Dr. J. M. Workman be appointed President of the College for the ensuing year.

3. That Rev. T. D. Scott, Rev. J. A. Parker and R. W. Huie, Jr., be appointed Campaign Committee.

#### **Galloway College.**

1. That the plan of the Board of Trustees to add to the endowment, to enlarge the plant, and to increase the practical usefulness of the college be most heartily endorsed.

2. That the appointment of Rev. H. H. Griffin, as Commissioner, be approved and that he be assured of a hearty welcome within the bounds of the Conference in the prosecution of his duties.

3. That Rev. W. C. Watson, and Mr. W. W. Brown be elected trustees to succeed themselves.

#### **Hendrix College.**

1. That most hearty co-operation be given to the Commissioners of Hendrix College by our pastors and people in order that the campaign to secure \$500,000 may be successfully concluded by July, 1918.

2. That C. E. Hayes be elected to succeed himself as a Trustee from 1917 to 1923.

3. That Dr. James Thomas be appointed Commissioner of the College for the ensuing year; and that Rev. H. F. Buhler be appointed his assistant.

#### **Southern Methodist University.**

1. That this Conference heartily endorse the purpose to secure at an early date an endowment of \$500,000 for the School of Theology, and that we pledge ourselves to begin actively to aid in securing this sum at the earliest practicable moment.

2. That this Conference endorse the memorial of the Educational Conference held at Dallas September 25, requesting the next General Conference to lay an annual assessment of \$40,000 for the support of the School of Theology of Southern Methodist University.

3. That it is the wish of this Conference for our Colleges to encourage their ministerial students, after their academic courses are completed, to attend the School of Theology of Southern Methodist University, and that Southern Methodist University should insist upon the students of the Colleges continuing their academic studies in their Conference Colleges until they secure their Bachelor of Arts Degree, before attending the University.

4. That this Conference endorse the purpose to organize a permanent Educational Conference for the territory west of the Mississippi River.

5. That this Conference endorse the plan suggested by the Board of Trustees of Southern Methodist University and by the Special Educational Commission which is for the Conferences in Arkansas to endow a chair in the School of Theology.

### REPORT OF BIBLE SOCIETY BOARD.

We, your Bible Board, beg to submit the following report:

We had before us Rev. D. H. Colquett, who gave in the following facts and figures:

There has been a slight decrease in Bible distribution due to the high cost of publication, there was a 45 per cent advance in the Southwestern agency, which includes Arkansas, Oklahoma, Texas and Louisiana. The value of this work to Home Missions in this section is beyond conception, and is indicated in the number of languages in which the Scriptures were circulated and the number of families visited by the Conference.

We present the following brief summary for your information:

Total value of Scriptures circulated last year .....	\$153,055.00
Number of languages of Scriptures circulated .....	34
Colporteurs employed .....	34
Miles traveled by them .....	30,000
Families visited by them .....	41,068
Families found without a Bible .....	14,000
Scriptures donated to blind and poor .....	16,540

The chief concern of the Bible Society just now is the problem of furnishing the Army and Navy with Scriptures.

We have supplied 102,855 and have only begun to meet the need. The War Council of the Y. M. C. A. estimated that a million Army Testaments will be required within the next six months and the American people will expect the American Bible Society to furnish them. The Society has its presses at work on this million khaki-bound Testaments and has promised to deliver them free of all cost as needed. This plan will reach every man on land and sea, at home and abroad. To meet this cost and to cover grants already made to Chaplains, the Society needs \$400,000. And for the emergency War Fund the Society appeals to pastors and churches for a special offering.

We therefore recommend that the month of January be designated for this purpose.

In our anxiety for this War Program we would not overlook the regular work of the Society and therefore recommend the assessment ordered by the General Conference which is two cents per member, the same as last year.

We have before us the report of the Gideons. They have in the State of Arkansas placed 4,765 Bibles in 120 hotels, in the United States 375,000, in Canada 25,000, making a total of 400,000 Bibles placed in hotels. We bid them God speed in their work.

J. L. CANNON.  
 H. E. VAN CAMP.

## REPORT OF METHODIST ORPHANAGE BOARD.

---

We gather from the report of the Trustees the following facts, viz:—

That the year just closed has been one of the best in the history of the Orphanage; that 29 children were received, 28 placed in homes—one has died, leaving in the Home 35; that since the organization of the Home 309 children have been placed; that Bro. Thornburg received during this year \$982.00 special contributions not included in the assessments, which he expended on improvements. This makes a total of \$38,300.00 he has raised and invested in the grounds, buildings and furniture since the work began; that the expenses exceed the income which the Conference has already provided for; and that there is a vacancy from this Conference on the Board.

We recommend the adoption of the following:

First. That Rev. James Thomas be elected to fill the vacancy on the Board of Trustees.

Second. That \$4,000.00 be assessed on the Conference for the support of the Orphanage for the ensuing year, apportioned to the Districts as follows:

Arkadelphia District .....	\$490.00
Camden District .....	610.00
Little Rock District .....	790.00
Monticello District .....	600.00
Pine Bluff District .....	570.00
Prescott District .....	450.00
Texarkana District .....	490.00

Third. That since this is one of the most sacred trusts committed to our care and so dependent on the Conference for support, we urge that this assessment be paid in full on or before April the first, 1918. Respectfully submitted,

T. O. RORIE, Chairman.

R. A. McCLINTOCK, Secretary.

## REPORT OF JOINT BOARD OF FINANCE.

---

To the Bishop and Members of the Little Rock Conference:  
Dear Brethren:—

We, your Joint Board of Finance, rejoice to receive from the Treasurer of the Conference a very substantial increase over last year's fund.

We also report a slight increase in the amounts of the checks received from the Board of Trustees of the M. E. Church, South, and from the Superannuate Endowment Fund.

We urge that every effort be made to increase our annual receipts to the point where the Joint Board of Finance will be able to properly care for our worthy claimants.

We have received from the Conference Treasurer:

For Bishops .....	\$1820.00
For Superannuate Endowment Fund .....	1146.80
For General Conference Expenses .....	425.00

## PUBLISHING INTERESTS.

---

From the exhibit of the Publishing Agents we find that the total sales of the house at Nashville and the branch houses at Richmond and Dallas during the past year is \$1,141,479.91; which is an increase of business over that of the previous year of \$111,573.60. After deducting \$8,904.82 loss on the Methodist Review, Christian Advocate, and Epworth Era, there remains a net profit of \$144,509.82. The total net assets of the three houses is \$1,646,224.09. Dividends paid to the Conference Claimants, \$15,000.00.

The circulation of the Methodist Review is 3,100; Christian Advocate, 13,950; and Epworth Era, 24,000. These periodicals are ably edited, and we most heartily recommend them to our people. It is a reflection upon our membership that these great publications must still be issued at a loss to our Publishing House. We were glad to hear Dr. Du Bose, editor of the Review, and to get his enthusiastic prospect for the Review. We dare suggest to our able editor that the Review should not be too limited in the range of its contents, but that contributions of general human interest could be added with great profit.

We received a detailed report of the Arkansas Methodist from the editor, Dr. Millar. It is gratifying that the paper has not only paid all expenses during the past year but has reduced the old debt by \$413.95. This leaves the total indebtedness of the paper not provided for in the purchase price, \$3,068.27.

Resolved: (1) That we heartily endorse the editorial policies of Dr. Millar and hereby assure him of our appreciation of his arduous labors.

(2) That we request the Bishop to reappoint Dr. Millar as editor of the Arkansas Methodist.

(3) That we designate February as Arkansas Methodist month and pledge ourselves under the direction of Dr. Millar to try to secure 1,500 new subscribers to the paper and the renewal of all expired subscriptions.

Respectfully submitted,

W. P. WHALEY, Secretary.

## ANNUAL CONFERENCE JOURNAL REPORT.

---

Your Committee on the Publication of the Conference Journal respectfully reports as follows:

We estimate the amount necessary for the preparing and publishing of the Minutes of 1916 at \$425.00, and apportioned the assessments therefor against the Board of Missions, Joint Board, Church Extension and Education at \$100.00 each, all of which was paid. We also received from Hendrix, Henderson-Brown and Galloway Colleges \$10.00 each for advertisements, making, with the balance on hand from last year, \$544.37.

The expenses incident to the publication of the Minutes were as follows:

Stenographers and supplies for them .....	\$ 28.10
C. J. Greene, Secretary, sundry expenses .....	5.00
Expenses of Byron Harwell .....	2.50
Proof reading .....	10.00
Printing 3,000 copies and cuts .....	343.75
Postage .....	27.21

Total .....	\$416.56
Leaving balance of .....	127.81

We estimate the amount necessary for the preparation and publication of the Minutes this session at \$425.00, the same as last year, and recommend it be assessed against the boards as follows:

Missions, Church Extension, Education and Joint Board, each \$80.00, making a total of \$320.00, which is \$20.00 less on each Board and the total is less than the estimated expenses, but the balance on hand will supply the deficiency.

Respectfully submitted,

C. J. GREENE.

GEO. THORNBURGH.

P. C. FLETCHER.

#### REPORT OF TEMPERANCE COMMITTEE.

Your Committee on Temperance respectfully reports as follows:

We thank God for the great-hearted Christian President who so wisely guides the Ship of State over a most troubled sea. And we pledge him our warmest sympathy and our most earnest support in his administration of the affairs of the government.

We commend President Wilson for his wise selection of a Food Commissioner in the person of Hon. Herbert Hoover, and we earnestly petition Mr. Hoover to use his great influence to secure the discontinuance at an early day of the waste of food products in the manufacture of alcoholic beers and wines.

We also commend our President for the protection of our soldier boys in the Camps. We protest, however, against the exportation of food products to Europe to be used in the making of alcoholic beverages. Americans should not be required to forego the use of those products for food while Europe is wasting them in their breweries and distilleries.

We thank God for the increased and increasing temperance sentiment which is pervading the whole civilized world.

We are grateful for the advances made in this country where in twenty-seven states now have state-wide prohibition; sixty percent of the population of the United States and eighty-eight percent of the area are under prohibition; the National Capitol is a saloonless city and no whiskey can be made in all this fair land. The United States Senate has voted by more than the necessary two-thirds votes to submit the Constitutional Amendment to the various states for national prohibition; the lower house of Congress will promptly take the same action; thirty-six states can adopt it and we confidently expect to see this nation under Constitutional Prohibition within the next six years.

We are especially thankful for the happy conditions existing in Arkansas. We not only have state-wide prohibition but bone-dry and a public sentiment to enforce it in nearly every part of the State. The calibooses in Little Rock, Pine Bluff and other of our large cities have recently been without an occupant, something unheard of in their previous history.

Commenting on this, the Little Rock Gazette of October 1th, said: "Such news items are not unusual in Arkansas since the state went dry and such news items will not be unusual in Arkansas in years to come. As the boot-legger is eliminated, and splendid headway is being made toward the elimination of this dangerous pest, the number of empty jails will increase."

A most remarkable tribute to the effect of prohibition is in the fact that the population of the state penitentiary showed a reduction of thirty September 1, over September 1, 1916, a reduction of forty-five October 1, over the year before, and a reduction of ninety-three November 1, over November 1, 1916. While the reduction is small, it shows a steady increase.

We rejoice in the fact that our Senators have already voted to submit the prohibition amendment and every Congressman from Arkansas will so vote when the measure comes before the Lower House of Congress.

Notwithstanding this, we remind the people that eternal vigilance is the price of victory and we call upon them to an energetic campaign of education and agitation until the final conflict is won.

We commend the work of the Anti-Saloon League and recommend a continuance of our relation to it.

We recommend the election of A. C. Millar, B. A. Few, J. H. Glass, M. N. Waldrip, and Geo. Thornburgh, as the representatives at this Conference on the Board of the Arkansas Anti-Saloon League. Respectfully submitted,

GEO. THORNBURGH, Chairman  
J. F. SIMMONS, Secretary.

#### REPORT OF ARKANSAS METHODIST COMMISSION.

---

To the Bishop and Members of the Little Rock Conference:  
Dear Brethren:—

We, your Joint Commission, appointed by the North Arkansas and Little Rock Annual Conferences, beg leave to submit our report.

Statements submitted to us by Dr. A. C. Millar for the fiscal year ending October 31, 1917, show the following:

Income.	
From Subscriptions .....	\$ 9,754.51
From Advertising .....	2,823.09
From other sources .....	536.29
Total Income .....	<u>\$13,168.42</u>

Disbursements.	
Western Newspaper Union .....	\$ 7,328.81
Postage .....	887.00
A. C. Millar .....	2,170.00
Office Help .....	923.50
Stationery .....	91.05
Travel .....	52.70
Miscellaneous .....	654.57

Total .....\$13,158.85

There is a total indebtedness to date of \$3,068.27. By analyzing Dr. Millar's statements we find that the deficit going over from previous years for running expenses has been decreased \$413.95 this year. We still have on us from all these old sources, however, a deficit of \$3,068.27.

We feel gratified, under the circumstances, that we have been able to make a splendid showing. We have at least nine thousand paying subscribers on our books and there are issued from our press approximately ten thousand copies every week. The amount due on subscription at the present time is \$4,500.00.

It is with great pleasure that we announce to you that the two Conferences have met their assessments for the present year, to-wit:—

Little Rock Conference .....	\$2,000.00
North Arkansas Conference .....	<u>2,000.00</u>

Making a total of .....\$4,000.00

which has been properly paid out on our purchase, thus closing the purchase price of the Arkansas Methodist, plus interest, which we have paid out, which amounts to \$871.48. The Little Rock Conference very promptly took care of its part of this interest and the North Arkansas Conference is and will do the same.

We recommend that the month of February be set apart by the two Conferences as Arkansas Methodist month, in which month all matters pertaining to the Arkansas Methodist in a financial way, especially, shall be cared for and all due amounts on the Arkansas Methodist be collected by the pastor and remitted to Dr. A. C. Millar. That we agree to secure three thousand new subscribers during this month, fifteen hundred from the North Arkansas Conference and fifteen hundred from the Little Rock Conference.

Your commission, acting as stockholders of the Little Rock Conference, by resolution, surrendered the charter of the Western Methodist Publishing Company, because of the fact that it was a corporation subject to all the laws affecting all other corporations and was very annoying to those in control to make the annual report. In this connection we leave it with the incoming commission as to whether or not we should re-incorporate under the "Be-

nevolent Act" of our State. It relieves us from taxation by the Conference acting through a commission.

It will be necessary for the Conferences to maintain a commission for the ensuing year, three from the North Arkansas and three from the Little Rock.

In order that our paper may be placed upon a sound financial basis and all affairs taken care of in the way of deficits, we recommend an assessment for the ensuing year, of \$2,000.00, \$1,000.00 upon the North Arkansas Conference and \$1,000.00 upon the Little Rock Conference. It is understood by the members of the Little Rock Conference that this deficit in running expenses was incurred during the year we had charge of it before we bought it and the first year after the purchase, as we were getting things in hand. I feel sure the Conferences, in view of the fact that we are having one of the greatest papers in the connection, would be glad to continue in this work of giving until our paper is upon firm financial ground. Respectfully submitted,

F. S. H. JOHNSTON, Chairman.  
JAMES THOMAS, Secretary.

#### REPORT OF SPECIAL COMMITTEE ARKANSAS METHODIST.

Your Special Committee on the Arkansas Methodist submits herewith as a part of our report the report of the Arkansas Methodist Commission, and recommends the adoption of that report and its publication in the Journal of the Conference.

We recommend the re-election of James Thomas, George Thornburgh, and T. D. Scott to represent our Conference on the Commission.

We recommend that James Thomas be asked to raise the \$1,000.00 called for in the report of the Commission, and that we authorize him to make his own plan for securing this money.

Respectfully submitted,

W. P. WHALEY, Chairman.  
THEODORE COPELAND, Secretary.

*MEMOIRS*

#### W. J. ROGERS.

William Jefferson Rogers was born in 1849 or 50. His native state is either Georgia or Alabama, I am not sure which. When a child he was brought to Arkansas. His father settled not far from Pine Bluff. He grew to manhood in this section, was converted when about twenty years of age. He married Mary Katherine Prickett in 1870. To them eight children were born. She died in 1890 and he was married again to Miss Jennie Mickelberry in 1891, who still survives him.

Shortly after his first marriage he was licensed to preach, and in the fall of 1873 was admitted into the Little Rock Conference. He gave forty-two years of faithful service as an itinerant preacher, one year he spent in the local rank. He was quiet and unassuming, never having much to say at our Conference, and not many knew his real strength.

He was a strong preacher, with a clear grasp on the fundamental doctrines of our Holy religion. He was peculiarly adapted to a class of work not many men could do efficiently; for this reason he was frequently placed in fields that were hard and trying, but he never complained or found fault. He was retiring in his nature, kind, gentle and sympathetic, but he knew no fear and never dodged an issue. He was loyal in his friendship, a true and faithful brother among us. He was a man of few words. In the quiet strength of a noble manhood, he pursued his way, finished his course, and met death fearlessly in the strength of a victorious faith. He died at Des Arc, Ark., Dec. 15, 1916, just a few days after he was superannuated.

T. D. SCOTT.

#### HORACE JEWELL.

Rev. Horace Jewell was born in Nelson County, Ky., Dec. 3, 1832, and was killed by a railroad train at Hope, Ark., Feb. 7, 1917. He had lived a little more than eighty-five years, sixty-two of them as a Methodist preacher. He was converted and joined the Methodist Church in his early youth. His educational advantages consisted of the common schools of the neighborhood, with one session at New Retreat Academy; he then taught in the common schools three years.

In 1855 he was licensed to preach, and the same year was admitted into the Memphis Conference. The records show that he gave to the church fifty-four years of active service, eleven years on circuits, twenty-seven in stations, thirteen on districts and three as chaplain in the army. The other eight years were not inactive; he preached often, much of the time having regular appointments. The records he kept show 4841 sermons preached, but he says the records do not show the full list. He was a close

student, and aside from his pulpit work he contributed many valuable articles to the press. His History of Methodism in Arkansas, published in 1892, is a work of great value. All but nine years of his life were given to Arkansas, fifty-three years a member of the Little Rock and three of the White River Conference. He was four years in the Memphis and two in the Louisiana Conference. His life was a mighty constructive force in building the civilization of our great state. For years he marched in the fore front of our forces, and who can tell what he contributed in bringing us to where we are? Most of his time was given to our strongest appointments—Little Rock, Pine Bluff, Camden, Monticello, Searcy, Malvern, Prescott, Lonoke, and such districts as Little Rock, Pine Bluff, Camden and Arkadelphia which extended his ministry almost completely over thirty-two counties of our state. In all our great movements, such as prohibition, moral reform and education, his work was of the highest value. Once he was Chaplain of the Senate, and twice of the Lower House of our Legislature, twice he was editor for awhile of the Arkansas Methodist; he represented our Conference in two General Conference and in one Ecumenical Conference. In it all he was just a plain, unassuming Methodist preacher. He knew how to hold meetings, call mourners, instruct penitents and lead people to Christ. He never lost that art. After he was superannuated, I have known him to go out in the country, hold meetings and number his converts by the score. Without being conscious of it, he measured well up to our Lord's standard of greatness, a servant of all. He gave his whole time and strength, and, we felt it was the love of Christ that constrained him. How it thrilled us to hear him say in our Conference love feasts, "I love the Christ, and I love everybody." With his declining days, he did not seem to grow old or lose interest. He was always cheerful and hopeful, he read books, made sermons, was ready to preach, attended all church services day or night, was among the people every day and kept up with the world both in Church and state. He felt the church was more triumphant with the passing years, and that the world is growing better. Two devoted, saintly women shared his great life. He was married to Miss Mattie Powell in Camden, Ark., in 1861, who journeyed with him only a few years and passed into the beyond. In 1877 he married Mrs. Mattie Dunken in Cleveland County, Ark., who for nearly forty years cheered and brightened his way with the sacred, and beautiful ministries of the Christian wife and mother. She now awaits in silent suffering the separation of death, but sustained by that faith that is the substance of things hoped for and the evidence of things not seen.

T. D. SCOTT.

### REV. A. O. EVANS.

The morning dawn of the life of Rev. Achilles Olin Evans was January 16, 1857, in Calhoun County, Alabama. He was the fifth child born to Alexander Thomas and Elizabeth Waldrop Evans, with whom he came to Arkansas in the fall of 1859 and settled where now is located the town of Bradley, in Lafayette County, Arkansas. It was here that he grew to manhood and received his common school education. It was at the old Walnut Hill Church that he was converted in early manhood and united with the Methodist Church of which his parents and grand-parents were members.

He was licensed to preach in 1880, under the pastorate of Rev. Bascom Monk, at old Randolph Church, then on the Lewisville Circuit, of which Walnut Hill was a part. He felt that a call to preach was also a call to preparation, so in September, 1881, he entered Vanderbilt University, from which he graduated in the Theological Department two years later. He was immediately appointed to Camden Station, to fill out the unexpired term of Rev. Alonzo Monk. At the next session of the Little Rock Conference he was admitted on trial and appointed to Lonoke Station, where he remained four years. In the fall of 1887 he was appointed to Winfield Memorial, where he served two years. 1889 he was appointed to First Church, Pine Bluff, where he remained two years, and in 1891 he was appointed to the Monticello District, which he served three years, and was again, in 1894, appointed to First Church, Pine Bluff, and remained for four years, and was then appointed for the second time to Winfield Memorial, where he remained one year, and at the Conference of 1899 he was transferred to Texas and stationed at Colorado City for one year, then Georgetown for one year, then Weatherford two years, and in 1903 he was transferred back to the Little Rock Conference and stationed at Arkadelphia, where he remained four years; then to Asbury Memorial, Little Rock, in 1910, and served four years. He was then appointed to the Arkadelphia District for one year, at the close of which he was again stationed at Arkadelphia, and at the next session of the Conference he was appointed Commissioner of Education for Henderson-Brown College, where his work ended with these words lingering on his lips: "I will soon come into my own." Thus ended the earthly pilgrimage of one of earth's best men.

He was twice married—first at Lonoke, to Miss Annie Webb. To them were born five children, four of whom survive. While at Colorado City, Texas, his first wife died the death of a saint and rests with the Lord. After more than a year he was married to Mrs. Irene Thomasson, at Arkadelphia. To this union there were born two children, both of whom, with the mother, survive.

As a boy he was trustworthy and obedient. To him his father said on his dying bed: "Olin, you never gave me an hour's anxiety in your life." As a man he was clean in his life, polite and gentlemanly to all. In business he was honest and safe in practice. In his home he was a true husband and kind father, and a good provider. As a scholar he was studious and could be trusted in statements of fact. As a preacher his average was high. He was among the few men who could successfully re-enter former pastorates and serve to the delight of both young and old. He was recognized pastor of rich and poor, and none the less both the wise and unwise were at ease in his presence. His preaching was sound, his sympathies deep, and his passion for souls unabating. He was a success, and well poised at all points. He knew how to handle men, hence he enterprised and carried out great things for the Church in building and otherwise. His work, both at Arkadelphia and Asbury, was monumental, and his last undertaking was that of liquidating the Henderson-Brown indebtedness and to endow it. With this well and wisely under headway he was called from labor to refreshment just as the evening lengthened into a star-lit heaven on May 23, 1917. The college for which he spent his last days conferred upon him the degree of Doctor of Divinity in 1912, for which it never had cause to regret, but many reasons to be proud.

May his mantle fall upon his two boys and his Christian graces his offspring.

#### REV. C. D. McSWAIN.

Rev. C. D. McSwain, the son of G. W. and Elizabeth McSwain, was born in Marshall County, Mississippi, September 4, 1850. His parents came to Arkansas in 1859, and settled in Falcon, Columbia County. He grew up in a Methodist home and in 1866 was converted and joined the M. E. Church, South, in Falcon, under the ministry of Rev. J. P. Hulse. He was licensed to preach by the Quarterly Conference of the Falcon Circuit in 1871, and was recommended to, and received on trial into the Little Rock Conference at Little Rock in 1871 under the presidency of Bishop McTyeire. He was appointed to the Mt. Pleasant Circuit as junior preacher under Rev. J. H. Riggins. He filled various circuits and stations for twenty-seven years. Among the circuits were El Dorado, Richmond and Rocky Comfort, Hampton and Auburn. Among the stations were Magnolia, Benton, Lonoke, Stuttgart, Fordyce and Malvern. Malvern was his last charge. At the following Conference he asked for and was granted a supernumerary relation on account of failing health. He moved to Emmett, Ark., in 1898, where he remained until his death, which occurred October 1, 1917, at his home in Emmett. He was married to Miss Lucy Jones, a sister of Senator J. K. Jones, in Little

Rock, Ark., 1886, by Rev. A. R. Winfield. She died in 1888, leaving a little girl, who lived only a few months. He was married the second time to Mrs. Lula Trotter, in 1891, by Rev. Boone Keeton, at Monticello, Ark. She had one daughter, Junie Trotter, and a special attachment grew between this daughter and the step-father and continued as long as he lived. To this second marriage was born one son, C. D. McSwain, Jr., who was educated at Hendrix College and has taken his father's place as cashier of the Emmett office of the Bank of Prescott. Brother McSwain was a good husband and father and a friend to mankind. He attended church services and for some time did some preaching. He loved the Lord and was not ashamed to tell it in class and experience meetings. He has gone to the city above, but the impress of his life will remain with us. He has left a devout Christian wife and earnest Christian step-daughter (Mrs. Thos. Garland) and a Christian son, who are all members of the Methodist Church in Emmett. Bro. McSwain's funeral services were held in the new Methodist Church in Emmett, which he helped to build, (he and his wife gave \$1,500.00 to this building), conducted by Rev. J. W. Whaley and the writer, October 2, 1917, and his remains were laid to rest in the cemetery near Emmett to await the resurrection.

#### **Mrs. Fannie WILLIA ROBERTSON.**

Mrs. Fannie Willia Robertson was born near Nashville, Tenn., January 6, 1852, died at the home of her daughter, Mrs. R. L. Broach, Hope, Ark., August 1, 1917. Her father, W. A. Williams, came to Arkansas in 1857 and settled a few miles from where the town of Leola now stands, in the neighborhood of Hunter's Chapel. Here she grew to womanhood, was converted at the age of fourteen or fifteen and joined the Methodist Church. In January, 1871, she married O. C. Robertson, who afterwards became a Methodist preacher and a member of the Little Rock Conference. He was admitted on trial in 1879 and served six years, the first three at Amity, the next two at Social Hill, and one year on the Camden Circuit, where he died in December, 1885, while our Annual Conference was in session at Arkadelphia. Left alone with her only child, Clara, with all her life plans so sadly changed she faced the future in the calm strength of the Christian faith. She soon found her place, a place to which she seemed to be especially called and where God needed her most. For twenty-six years she was connected with the Arkansas School for the Blind. As house mother and head matron her life was a benediction to those boys and girls whom circumstances had forced from the loving oversight of home and mother. She was perhaps more widely known and loved than any woman in our state. The hundreds whom she so tenderly mothered

during their training at the school, remember her fondly. I was near Amity when called to her funeral. When it was learned whose funeral I was called for, the faces of some of the older people lighted up with interest. They remembered her as the wife of their pastor over thirty-five years ago, and spoke tenderly of her beautiful life. In the cemetery, near old Hunter's Chapel, in Dallas County, the church where Bro. Robertson preached his first sermon, in the county of her childhood and early womanhood, she and her husband sleep side by side, two sainted ones of sacred, sweet memory.

#### MRS. T. H. WARE.

The going away of a good woman is always a distinct loss to any community, or church. Our Church, and Conference, were made poorer in the death of Mrs. Fannie Cook Ware. She was born near where we now hold this service on June 12, 1851. She was well born. The atmosphere of her childhood home was that of culture and refinement. Not only were her parents, and the immediate members of her household, lovers of books and the best society, but there came into that home men and women of renown. Such men as the late A. H. Garland, her uncle, who was one of Arkansas' greatest Governors, and one of the Nation's brightest Senators. His legal lore was so great as to bring him into the Cabinet of one of our most gifted Presidents. Thus born and reared she early loved study and was a scholar of no mean parts. She was a lover of things new and old in literature and science. In early life she devoted herself to teaching. For many years she taught a large private school and left the imprint of her sweet Christian life on the choice youth of Arkadelphia. Later she was connected with the public schools where she did much both in her local school and in the State Conventions to bring our schools to their present efficiency. As she came to mature life the newly organized Henderson-Brown College called her to a place where for a few years both in the class room and in the field she did most efficient work, for 26 years she taught in this one town, a rare achievement.

On September 24, 1901, she left the College for the Parsonage, for on that date she was married to the Rev. Thos. H. Ware. Until the day of his death they were supremely happy for they were both of the first families, he being a grand-nephew of the great Patrick Henry. His death was a great sorrow to her. His devotion to the Church was beautiful indeed; for they seldom visited alone, but from house to house they faithfully visited the flock given them.

When he was gone she went back to Arkadelphia, where she spent her last days among her host of friends. The last year of her life was spent in great suffering.

While all was done by her physician and kind friends, to prolong her life, yet, she suffered on with patience, knowing the end would soon come. On August 30, 1917, her gentle spirit was released, and the suffering body ceased to suffer. The end came in great peace. She leaves a brother, R. T. Cook, and his children, to them she was a mother after their mother had gone, and an only sister, Miss Barbara Cook. We shall miss this good woman. Hundreds of bright men and women will miss her. To her, death was a gate of pearls, opening to her the haven of rest for which she was prepared and ready.

Thy friends gone before have greeted and welcomed thee; and thou will gladly give to those that follow a greeting at their coming.

R. W. McKAY.

#### **MRS. BARBARA M. BLAKELY.**

Mrs. Barbara M. Blakely (Nee Wells), was born in Drew County, Arkansas, November 9, 1835, and passed to her eternal home November 22, 1917, having just passed the eighty-second mile-stone of her earthly pilgrimage. She was the second wife of Rev. J. H. Blakely, one of the pioneer preachers of the Little Rock Conference, who died some twenty years ago, and who was greatly loved and honored in his day. The exact date of her marriage is not at hand, but it was more than fifty years ago. She was the mother of two children, sons, one of whom died in his teens, and the other in the prime of a splendid young Christian manhood.

Sister Blakely was peculiarly fitted both by nature and grace to fill the delicate and, often difficult, station of the wife of a Methodist preacher. She was well educated for her time, possessed a vigorous mind and a most refined and beautiful nature. Above all she was deeply consecrated to God and had an abiding passion for the salvation of sinners. She was doubtless the best loved woman in all the country where she lived so long and was so widely known by the affectionate title of "Aunt Bob." She gave freely of her love and service to humanity and in turn she received most freely the love of those who knew her.

For many years she had been a great sufferer and the circumstances of her life seemed most sad. Her husband and children dead; nearly all the friends of her early life gone; no very near relatives to care for her; suffering the constant pain produced by long standing bodily infirmity, but in the midst of all these things she maintained the patient, cheerful serenity of her spirit, and her unwavering trust in God. She knew whom she had believed and her confidence in His power and love never seemed to waver for one moment.

While all of her immediate family had passed on before her yet she was never allowed to suffer for the care and

attention which loving and skillful hands could bestow. Relatives and friends supplemented the amount which the Joint Board of Finance was able to allow each year for her support and a kind and constant friend tenderly cared for her in her own home and ministered to her every need.

Her last days were full of peace and holy joy and she died in the full triumphs of the Christian faith. Her body was laid to rest by the side of the graves of her husband and children in the old Mount Pleasant cemetery in Drew County, where sleep the bodies of so many of God's saints, the funeral services being conducted by her pastor, Rev. Frank Hopkins, assisted by Dr. M. B. Corrigan. The honored name of Blakely which has appeared in the Journals of our Conference from the time of its organization to the present, will now disappear from the records of our proceedings, but the influence of that good man and of his saintly and beloved wife will live on through uncounted years and will be revealed in its fullness in the day when all things shall be made known.
